

2006 Wish Child

This years Wish recipient on your behalf is a 13 year old named Ashley. She likes hanging out with her friends, watching movies and shopping.

It has always been her dream to visit Disney World, so we are making her wish come true. Along with her parents and her best friend, she will travel to the Magic Kingdom. Everyone will receive passes to Epcot®, Disney-MGM, Universal Studios, Magic Kingdom® Park and Disney's Animal Kingdom® Theme Park.

They will stay at the "Give Kids the World Village", a magical place designed especially for kids. She will also enjoy a special dinner with Cinderella at the Grand Floridian Resort.

If in the future we receive updates on Ashley trip and are granted permission to share them with you, we will do so.

Thanks for helping to make Wishes come true!
