Dear Mr. Dressel:

Thank you for your support of the Make-A-Wish Foundation® of Wisconsin. In recognition of your donation, we have named you the sole sponsor in granting Zachary's wish.

Zachary, a 15-year-old from Neshkoro loves reading comic books, fishing, and snowmobiling. He dreams of one day becoming a fire-fighter. Zachary's *one special wish* is to shake the hand of his long-time hero, NASCAR competitor Jeff Gordon. Zachary hopes to meet Jeff this year at a race in Las Vegas. Zachary is looking forward to meeting and taking pictures with his favorite race car driver, having the opportunity to ask him some questions and getting a behind-the-scenes tour of the track. Accompanying Zachary on his wish will be his younger brother, Jayson and his parents. For Zachary, meeting Jeff Gordon will be a moment he will never forget.

The Make-A-Wish Foundation of Wisconsin grants the wishes of children with life-threatening medical conditions to enrich the human experience with *hope, strength and joy*. Since the Wisconsin chapter was founded in 1984, more than 3,000 families statewide can attest to the power of a wish. Last year, a record-breaking 268 children received their *one special wish*.

The Make-A-Wish Foundation is able to grant this record number of wishes due to the kindness and caring of donors like you. We strive to be responsible fiscal stewards and are proud that 81 cents out of every dollar received by the Make-A-Wish Foundation of Wisconsin goes directly toward wish granting. The Make-A-Wish Foundation does not telemarket and we keep our administrative costs at 4.4%.

We hope this star will serve as a reminder that your support has had a lifelong impact on the special children we serve. On behalf of the Make-A-Wish® Board of Directors, staff and Wisconsin's wish children and their families, we thank you for your generosity and commitment in helping *share the power of a wish*®.

Best Wishes,

Patti Gorsky
President
