

Make-A-Wish 2009

In honor of our customers and investors, this holiday season we have sponsored a wish through the Make-A-Wish Foundation® of Wisconsin. A wish come true is a special type of medicine for children with life-threatening medical conditions. It provides a positive focus during a difficult time and creates happy memories the entire family cherishes.

Logan is a 6-year-old from Waunakee who likes watching WWF and loves playing "Cars" on the computer. He wishes to go to *Walt Disney World*® Resort where he can see Dumbo and Pluto. His wish will be granted this December when Logan and his family will travel to Orlando where they will stay at Give Kids The World Village, a special

resort designed just for wish children.

They will discover all the fun of Disney as they explore *Magic Kingdom*®, *Disney's Animal Kingdom*® Park, *Epcot*® and *Disney's Hollywood Studios*™. They will also uncover the movie magic of Universal Studios, where they will enjoy a special holiday breakfast with The Grinch™ and friends. It will be a wish come true for Logan and his family, giving them hope, strength and joy.

Warmest Wishes and Happy Holidays,
